2.3.7. Cancel the Services provision for the Customer, suspend the access to the web-site/ platform in cases: (1) breach of clauses 2.1.1. and 2.1.4. of the Contract; (2) if the Contractor has reasonable grounds to believe that the Customer behaved inappropriately during the class (e.g. had been rude to the tutor); (3) Customer withdraws the consent for personal data processing; (4) finish of the training limit; (5) termination of Contract; (6) the Customer breaches conditions of the Contract; (7) as provided by the Contract.

2.3.8. Exercise other rights under the law of United States of America or the Contract.

2.3.9. Cease informational support and supervision of the tuition process of the Customer/Student outside the activities carried out according to clause 2.3.2. of the present Contract, in case the latter is not allowed to perform the Course work on the grounds specified in the Contract, as well as the failure to submit the Course work within the deadline set by the Contractor as part of the course.

2.4. The Customer has the right to:

2.4.1. Request and receive the information (follow-up questions, comments) concerning the check and evaluation of Customer's homework, workshops, graduation works in the personal profile.

2.4.2. Get the access to the digital training materials of the Customer's remunerated course on the web-site/ platform if the Customer follows clause 2.1.4. of the Contract.

2.4.3. Receive the information concerning the progress and evaluation criteria. Progress and evaluation criteria is on the web-site/ platform or will be given on Customer's request sent in personal profile.

2.4.4. Inform the Contractor about the drawbacks during the service rendering process by sending the corresponding notification in the personal profile.

2.4.5. Refuse service rendering by sending the corresponding notification to the Contractor under condition of all expenses remuneration connected with the discharge of contract. The expenses connected with the discharge of contract are calculated according to the Contractor's data and methods. If the Customer refuses the services during the first two weeks during the course period, the course price is completely repayable. If the duration of the course is less than or equal to two

weeks, the refund of the course fee is made with the Contractor withholding the actual costs incurred, equal to 100% of the cost of the provided services.

2.5. When the Customer signs the Contract, he/she guarantees he/she has a full legal capacity and is at the age of full capacity according to the law of United States of America.

2.6 To request the Contractor in writing to suspend the provision of Services under the Contract no more than two times during the relevant Course for an aggregate period not exceeding the length of such Course.

3. Payments. Calculations. Report.

3.1. Except as otherwise provided in the personal profile, the services should be paid according to the price on the web-site/ platform. Not a subject to VAT according to the items 14 and 2 of article 149 of the Russian Tax Code. Services' price in the personal profile has priority. Services' price of the course is available after the registration on the web-site/ platform.

3.2. The Customer pays in accordance with the payment schedule available to the Customer in the personal office on the web-site/platform 100% (one hundred) before the course starts, via bank transfer in rubles of United States of America. via one of the electronic payment providers which are available on the web-site/platform. Except as other terms of payment are introduced in the personal profile on the web-site/ platform. The Customer has a right to pay for the Services under these conditions at the same time personal profile's data have priority.

3.3. Customer's obligations are deemed to have been fulfilled in full from the moment the amount of funds are received on the Contractor's account. Date and time of receiving the amount of funds are determined in accordance with the Contractor's data.

3.4. The Customer is solely liable for the remuneration and tax payment.

3.5. The Contractor doesn't process Customer's personal data given while Services remuneration under the Contract. The Contractor doesn't keep credit card details on its resources including servers or cloud storage.

3.6. Payment fact is proven by the electronic receipt which is sent to the Customer via email and/or via message on the phone number given when registration on the web-site/ platform.

3.7. Name and list of metrics of the Services rendering, specifically, the amount, time, price determined and calculated by the Contractor independently in accordance with personal data and methods and can be available for the Customer in full or partially in his/her personal profile. The parties accept Customer's personal data as the only reliable data source which determines metrics, amount, time, price and other qualities of the Services rendered.

3.8. During 10 (ten) working days after the finish of the course completion, the Customer has the right to send a motivated refusal not to take the Services in full or partially. A motivated refusal should be sent in the personal profile. If the motivated refusal wasn't sent within the time specified in the present clause without affecting the mandatory provisions of legislation of United States of America, the Services are rendered in a proper manner (in full and in time), unargued and should be remunerated.

4. Liability

4.1. The parties are liable for non-execution or improper execution of their obligations according to the present Contract and legislation of United States of America.

4.2. The Customer is liable for the reliability, relevance, completeness and correspondence to the current legislation information, documents including data given when registration on the web-site/ platform and for the claims of third parties in relation to this information and/or documents. The Customer agrees that the actions performed on the web-site/ platform after the Contract concluded are recognized as Contractor's actions. The Contractor is not liable for damage caused as a result of unauthorized access to the web-site/ platform with the use of Customer's data.

4.3. The Contractor is not liable for non-execution or improper execution of Services in case of violation of terms of the Contract by the Customer, specifically the Contractor is not liable for the violation of Clause 2.2.4. of the Contract in case when the Customer has completed the course beyond the training limit. In case the Customer violates the terms of the Contract, the Services must be paid in full.

4.4. The Contractor is not liable for the non-correspondence of the Services and functional capabilities of the Customer (according to his/her subjective evaluation). This non-correspondence of the expectations and/or negative subjective evaluation are not a reason to conclude that the Services are executed improperly and/or in a non-stipulated amount, when the opinion of the third parties (including the staff of public authorities) differs from Contractor's opinion (his employees and partners) is not also a reason.

4.5. The Contractor is not liable for the break in the web-site/ platform work (including emergency cases or maintenance), for the insufficient quality of speed of data sharing, for the full or partial loss of data uploaded on the web-site/ platform or for the other damages can be inflicted when the

Customer uses the web-site/ platform. The Contractor makes every effort to prevent all bugs and fails but doesn't guarantee flawless operation. The Contractor is not liable for it and does not pledge to inform the Customer about bugs and fails on the web-site/ platform.

4.6. The Contractor is not liable for impossibility to use the Service because of poor signal, lines of communication, Customer's equipment failure, non-payment for the Services or third parties (connection, Internet) which are necessary for the Customer to get the Services under the Contract.

4.7. Contractor's liability is limited by the refund of payment. In relation to the non-paid courses but completed by the Customer specifically as a result of participation in sales promotion, the paid amount is not applicable to the refund.

4.8. Contractor's extent of liability concerning non-execution/ improper execution of the Contract doesn't exceed the value of the last paid course.

4.9. Parties shall not be held liable for the partial or full non-execution of the Contract if the non-execution is a result of force majeure circumstances i.e. emergency circumstances happened after the Contract conclusion and couldn't be prevented under the present conditions. The parties couldn't forecast or prevent the circumstance by reasonable acts. Those circumstances are: flood, earthquake, other natural and man-made disasters, acts of war, acts of terrorism, acts and decisions of governmental authority and other circumstances out of reasonable control of any Parties. Force majeure circumstances must be proved by the documents rolled by the responsible state authority or organization.

5. Intellectual property

5.1. Access is given to the Customer with the purpose of rendering the Services under the Contract and does not stipulate any cases of transfer of a right of the web-site/ platform or its components to the Customer. The access stops under the conditions of the Contract.

5.2. The Customer doesn't have a right to use the results of the intellectual property uploaded on the web-site/ platform (include but not be limited to: text, design features, images and program web-site/ platform code (courses, modules, classes, training materials) without prior written consent of the Contractor (include but not be limited to: play, copy, process, share in any manner).

5.3. Web-site/ platform are given in "as-is" or "as-available" condition. The Customer doesn't have a right to require any changes to the web-site/ platform. The Contractor doesn't guarantee web-site/ platform availability at any moment.

5.4. The Contractor is not liable for Customer's expectations related to productivity and effectiveness of the web-site/ platform use, web-site/ platform availability, compliance with the requirements of the Customer or possibility of changes (settings) related to Customer's preferences are not guaranteed. The Contractor does not guarantee the web-site/platform is fully free from bugs and fails and should function smoothly.

5.5. The Customer uses the web-site/ platform solely at his/her own responsibility and risk. The Contractor doesn't guarantee proper functioning of the web-site/platform and is not liable for harm caused as a result of the web-site/platform use. The Contractor is not liable for the risk of adverse consequences which ensue or will ensue as a result of use of inappropriate equipment other software or communication channels than it is stipulated by the personal data protection requirements from the unauthorized (illegal) acts of third parties.

5.6. If the Customer uploads any materials/ information in text, and/or graph, and/or audiovisual or another form (hereinafter referred to as "materials") to the web-site/ platform during the process of rendering the Services, the Customer gives the Contractor a right to use the materials worldwide during 15 (fifteen) years from the upload date with no payments in following manners: distribution, materials playing both in full or any of its part including their upload on the web-site/ platform or on the other Internet resources, processing of materials, communication to the public specifically for marketing and promotional purposes. The Contractor is not obliged to report the use of materials. The Customer is liable for the materials contents. 5.7. The Customer permits: (1) to use the materials without providing the name (the right for the anonymous use); (2) to change the materials (reduction and addition, supply the materials with images, introduction, conclusion, comments or other annotations); (3) publish the materials i.e. the Customer gives the right or agrees to communicate the materials to the public for the first time by publishing, demonstrating, performing, broadcasting or by any other possible means.

5.8. If the third parties raise claims/ sue against the Contractor for possible violation of third parties rights in Customer's uploaded materials, the Customer is obliged to settle the claims in full independently and free the Contractor from the liability including payments of any performance rights fees to the third parties and make up Contractor's losses.

6. Data

6.1. The Customer is obliged to give the Contractor all data requested by the web-site/ platform or by the Contractor which are necessary for Service rendering.

6.2. When entering the Contract the Customer gives the Contractor his/her personal data and agrees to process the data in order to perform Contract obligations properly. The Customer agrees his/her personal data which are given during the acceptance of the Offer being processed during the registration on the web-site/ platform. The Customer agrees his/her data given after the acceptance of the Offer under the Contract being processed when the Customer is given the access to the web-site/ platform for the first time.

6.3. The Contractor processes Customer's data in relation to the Personal Data processing Policy which is available through the link: https://osmi.com/pro/privacy_policy is the integral part of the Contract.

6.4. The Contractor has a right to use email address, telephone number, login of videoconferencing systems and other data which the Customer gives during the registration on the web-site/ platform to send the Customer information and publicity materials including the information which informs the Customer about Contractor's performance or execution of the Contract.

6.5. The Customer agrees that the Contractor has a right to record audio and video materials in order to control and improve the quality of Service.

6.6. Customer's agreement to process the personal data can be withdrawn on the grounds of Customer's written application drafted in arbitrary form and sent to the Contractor in relation with the Act on Processing of Personal Data.

6.7. The Contractor is obliged to hold the Customer's data confidential from the third parties in relation with the Contract performance without Customer's prior authorization (except for the public domain information or information given on the web-site/ platform during the registration).

6.8. The Customer is obliged to hold the confidential information or other data given during the Contract performance from the third parties (except for the public domain information) without Contractor's prior authorization

7. Modification of the Contract

7.1. The Customer is obliged to read the conditions including payment conditions of the Present Contract before the remuneration. If the Customer continues using the web-site/ platform after the date of the Contract publication, including the time of payment, the Customer agrees with the Conditions of the Contract which are in force after the publication date (on the date when the Customer uses the web-site/ platform or the date of payment). The date is given in the top left corner of the Contract.

7.2.. In case when the Customer doesn't agree with the conditions of the Contract which are in force on the date of publication, the Customer is obliged not to pay for the Services after the Contract date of publication and stop using the web-site/ platform. The Contract is determined on the date of the actual end of course or on the last day of the training limit whichever is later. In case when the Customer doesn't agree with the conditions of the Contract, he/she has a right to send the Contractor the application of the payment refund in manner prescribed in Clause 9 of the Contract.

7.3. Conditions of the new version of the Contract are applicable to the courses, purchased under the conditions of the Contract version which precedes the new version of the Contract publication date from the date of this (new) publication date which is given in the top left corner of the Contract. Price paid for the Services under the Contract conditions and precedes the date of the publication of a new version of the Contract, courses (Services), shall not be subject to any alterations. In case when the Customer doesn't agree with the conditions of the Contract, he/she has a right to send the Contractor the application of the payment refund in manner prescribed in Clause 9 of the Contract.

7.4. The Customer is informed and agrees that the actual date and time (where applicable): (1) making payment, (2) use of the web-site/ platform, (3) of publication of the Contract versions are determined on the grounds of Customer's data.

8. The period of Effect of the Contract. Termination.

8.1. The Contract shall enter into force as soon as it is signed, the date of signing the Contract is determined in the manner prescribed by Clause B of the Contract and efficient until the training limit. The Contract is terminated on the date when the Customer completes the course or on the last day of the training limit whichever is later. 8.2. The Contract may be terminated:

8.2.1. by voluntary contract of the parties. The contract may be achieved via email exchange between the parties.

8.2.2. initiated by the Contractor unilaterally and without judicial procedures by sending the Customer the corresponding notification in personal profile in cases of:

-late payment

-inappropriate Services execution as the result of Customer's actions including cases when the Customer doesn't finish a paid course.

-in other different cases under the law of United States of America.

8.2.3. before time in following cases:

- at the initiative of the Customer in case of the realization of the right to terminate the Contract unilaterally and without judicial procedures on the terms of Clause 2.4.5. of the Contract by sending the Contractor the corresponding notification to his email address which is given in Clause A of the Contract;

- In initiative of the Contractor in case when the Customer gives unreliable information and/or documents during the acceptance of the Offer or at the time of the Contract execution by sending the Contractor the corresponding notification in the personal profile.

8.2.4. In other cases under the law of United States of America.

8.3. On the terms of Clause 8.2. of the Contract, the Contract is declared terminated on the day when one of the Parties gets the corresponding notification.

8.4. The Customer is informed and agrees that the actual date and time (where applicable): (1) actual compliance of the course by the Customer, (2) training limit, (3) the Contract termination are determined on the grounds of Customer's data.

9. Payment refund.

9.1. Payment refund is made according to the Customer's application written in a manner of the Contractor. A form of application may be available on the web-site/ platform or in personal profile. In case when the form of the application is not available on the web-site/ platform or in personal profile, the Customer requires the payment refund application form from the Contractor by sending the corresponding message in personal profile. Application filled according to Contractor's form (scan) for the payment refund should be sent to email address: refund@skyeng.ru. The following documents should be attached to the payment refund application: (1) passport or other ID, (2) receipt (digital copy), (3) other documents required in application forms.

9.2. The Contractor considers the application during 10 (ten) working days from the receiving date if there are no comments from the Contractor, the payment is refunded. The Contractor has a right to require additional documents and/or information necessary to make the payment refund, in this case payment refund is made during 10 (ten) working days after receiving the additional documents and/or information.

9.3. Payment refund application is considered as an ex parte rejection of the Customer from the Service rendering in relation to the rejected part of the course. In this case the Contract is considered terminated in full or in its corresponding part on the day the Contractor received the payment refund application.

9.4. The refund amount is calculated in relation to each course proportionally with the price of the Services which were not rendered by the Contractor in accordance with statements of Clause 2.4.5. of the Contract.

9.5. The Contractor has a right to deduct the payment processing expenses from the refunded amount.

9.6. Courses are not actually prepaid by the Customer and received as a result of participation in promotional events including bonus (additional) classes are not considered while calculating the amount which must be refunded to the Customer.

10. Current legislation. Settlement of disputes.

10.1. The contract is regulated and interpreted according to the legislation of United States of America.

10.2. All disputes and discontracts that may arise between the Parties of the Contract or in relation to it shall be settled by negotiations.

10.3. An injured party has a right to send a complaint to another party. If the injured party doesn't receive a complaint response during 15 (fifteen) working days from the moment it was sent, or the parties fail to come to an contract, the injured party has a right to submit the complaint for consideration in the Court.

10.4. The complaint and complaint response shall be sent via email.

11. Other Provisions

11.1. In case when any of the provisions of the Contract are declared invalid, null or impossible to perform, all other provisions remain valid and shall be performed in full.

11.2. The Contractor has a right to transfer the Contract to the third parties, the Customers agrees with the transfer.
